

Job Description

German to French (DE > fr_CH) Translation - approx. 700k words

We are hiring 4-5 translators in-house or on a freelance basis

Beluga is currently looking for professional translators to join the team for the following project:

Language pair: DE - fr_CH (Switzerland)

Topic: Online articles on DIY projects and ideas that will improve your home and outdoor areas

Total volume: approx. 690.000 words

Monthly volume: approx. 150.000 during 6 month.

Translation start and test period: December-January with some 30 articles (approx. 18.000 words)

Tools: SDL GroupShare Cloud, SDL Trados 2017 (Starter Editions will be provided)

For whom we are looking for:

- Native Franco-Swiss professional translator with at least 3 years experience
- Proficiency in SDL Trados 2011 or later (experience with SDL GroupShare is a plus)
- Capacity for some 2000 words a day or more
- Own quality control process in place
- Proven track record with large scale projects
- Being able to provide references

What we offer:

- Competitive salary
- Full time contract (contrato por obra)
- Option to work from home with flexible work hours

Please send your application to info@belugalinguistics.com

Freelancers should apply with a competitive quote on the word rate with the following fuzzy match breakdown (0.0% - 84.9%; 85.0% - 94.9%; 95.0% - 99.9%; 100.0% - 100.0%).
